- His approach on implementing system will be **Simple, Practical, Cost effective** most importantly focusing on **most appropriateness that benefits the organization towards Return on Investments (ROI)**.
- **Awards:** Received Awards for best Soft Skills and Corporate Trainer.

WHY TO CHOOSE JVR CONSULTANTS:

1. With regard to system standards especially, at par with the knowledge of a Certification Body (CB) Auditors as the Tutor from whom the knowledge is acquired, is qualifying the CB Auditors.
2. Organised Lead Auditor courses several times with full active participation, and got formally qualified 3 times [ISO/TS 16949:2009 – 2 Times from SMMT IF (Year 2009), IATF & AIAG, IATF (Year 2012) and IATF 16949:2016 (Year 2016)- 1 Time from AIAG, IATF]
3. Certified VDA 6.3 Process Auditor 2010 & 2016 by VDA – QMC, Germany
4. Continuous upgradation of knowledge apart from the Certifications consistently acquired as listed above.
5. Provided several trainings and Consulting on VDA 6.3 to clients which include, Visteon, LTVS, Gnutti Carlo, Dynamatic Technologies Ltd., Integral Components Pvt Ltd.,
6. Conducted several trainings and consulting focusing on Business Goals of an organization leading to return on investments (ROI).
7. Humble and shares knowledge without any reservation to one who respects the knowledge and the profession irrespective of the levels.
8. Direct service provider. No channel partners. Hence No hidden cost on Marketing or administration or what so ever. Total cost is only for need based knowledge transfer focusing ROI.
9. In fact Channel Partners including CBs are discouraged and they are not able to engage as they could not meet the professional charges fixed by JVR Consultants.

Conditions when the above faculty's services would not be available:

1. When applies a formula of 3 quotations and selecting the cheapest.
2. Selects on the basis of brand and not seeing the faculties credentials especially to the purpose of the engagement. As most of the leading brands were rejected by JVR Consultants, the above said faculty's services would not be available through them.
3. When there is a need to just to close a non conformity during a customer or a CB Audit.
4. When just wanted a paper certificate.
5. JVR Consultants being an interested party to the organization and when its needs and expectations are not met.
6. Any such things as said above.
